Re: *Dr. U Devices v. Devroye et al.*, No. 18-CV-1964 (RA)

Dear Judge Abrams:

The parties jointly submit this letter further to the Court Endorsed Letter Order of May 4, 2022 (Dkt. # 131).

The Court Order granted the parties' joint motion to stay proceedings until May 13, 2022, allowing the parties time to continue settlement negotiations. The parties have reached an agreement to settle the case, and signed a Term Sheet to that effect. They are now, through their respective counsel, working to memorialize it in a settlement agreement dispositive of the case.

Subject to the Court's approval, counsel jointly propose to continue the stay of all deadlines in the case for an additional 30 days, until June 13, 2022, to allow the parties to work to finalize the formal settlement agreement. The parties will report to the Court as soon as they have finalized the agreement.

Accordingly, subject to the Court's approval, the parties jointly request that a stay be ordered in the case to continue until June 13, 2022.
